TITLE V WAIVER PROCEDURE

1. You must submit written proof that the municipal sewer lines will be extended to the property within the next five years. You can contact the Dracut Sewer Department at 978 957-0371 to request the information.
2. The buyer of the property must submit a notarized statement that they agree to:
 - a. Maintain the current septic system on an as needed basis.
 - b. Immediately connect into the municipal sewer lines as soon as it becomes available.
 - c. If for some reason municipal sewer lines do not become available within the proposed time frame, you must replace your failing septic system or apply for a new waiver.
3. A Title V Inspection is not required if expected time frame for installation of sewer mains are two years or less, if expected time frame is more than two years but less than five years a Title V Inspection is required.
4. The buyer must include their current address.
5. Title V waiver fee: \$25.00. Check made payable: Town of Dracut

If you have any questions regarding this waiver procedure, please do not hesitate to call the Board of Health office at 978 453-8162.

NO EXCEPTIONS!!

EVAN THEMELES, Chairman -- LOUIS E. ROUSSEAU, Vice Chairman -- PAUL ENIS, Clerk
